Two Fine City Employees Round Out 25 Yrs, Pahokee

A half century of faithful service will be rounded out this week by two city employees in Pahokee when Robert J. Schroder and Marvin Levins chalk up 25 years each with the city. Mr. Schroder was named superintendent of the waterworks department on December 11, 1941, and Marvin Levins was appointed chief of the fire department on the same date.

Schroder said back then the facilities were rather antiquated. An improvised bean planter served as one of the chemical feeders and there was very little water storage. The capacity of the plant was 300 gallons of water per minute and a rather battered Diesel engine furnished the power for the plant and also for the few street lights in the business section. City equipment was not using Florida Power and Light current then. Levins said the only equipment the Fire Department had when he took over was an old American LaFrance fire engine.

Schroder has seen the waterworks treatment plant grow from a capacity of 300 gallons per minute to 1,500 gallons per minute and to one of the most modern water systems in the country. Levins has guided the fire department to a streamlined department with modern equipment and service. He still has 12 volunteer firemen, the number he started with.

When Schroder took over the waterworks system there were just four employees. The superintendent, who was also meter reader, foreman of maintenance and extension crews, meter maintenance.

Football Banquet On Wednesday Eve

Principal Brooks Henderson acted as master of ceremonies at the annual Pahokee High School football banquet held in the cafeteria on Wednesday night. Harold Moser, principal of Stranahan High School in Fort Lauderdale, was the principal speaker.

Coach Web Pell was honored as "Coach of the Year" in the Western Division of the Suncoast Conference. Pell, who has been coach for the Pahokee Blue Devils for 15 years, led his team to the co-championship of the Western Division of the Suncoast Conference this year.

Those who attended the banquet, which began at 7:30 p. m., were the members of the varsity football team, cheerleaders, coaches, members of the athletic council, faculty workers and sponsors.

MAKES VISIT

James W. Vann, president of the Florida State Elks Association, made a visit to the Boca Raton Elks Lodge last Wednesday night and talked on the Harry Anna Crippled Children's Hospital and the work being done there for the children.

man, collector, buyer and supervisor of the entire operation. He had one helper and there were two operators. Chief Levins was one of the operators at the plant for many years in addition to his duties with the fire department. Schroder also had to act as plant operator in case of illness of the operators and at vacation time.

Both men are pioneers of this section, coming here before the City of Pahokee was incorporated. Levins came to the eastern shore of Lake Okeechobee in 1917 when only a few fishermen lived in this section. Schroder came four years later in 1921.

Both men are interested in community and civic affairs. Schroder is a charter member of Everglades Lodge #211, a member of Pahokee Eastern Star chapter and Pahokee Lions Club, where he has a 23-year perfect attendance record. He also served as secretary of the club for 16 years and was the first member of the club to receive the Ralph Stanley Memorial award for outstanding Lionism. He is past Noble Grand of the Glades Odd Fellow Lodge and a member of the Pahokee First Methodist Church. He served as church school superintendent for many years, was lay leader, trustee and is a member of the official board.

In 1941, when the two employees started their long tenure, the city government was operated by the following people: John A. Dulany, mayor; Councilmen Wiley Tillis, Ben Waring, Hugo Boe, R. B. Mackey and O. B. McClure, as president of the group. W. P. Walker was city clerk and Mrs. Dorothy Graham was assistant clerk.

Several months ago when the sewage plant and enlarged water works plant were completed, Mr. Schroder was relieved of his arduous duties as superintendent when Superintendent Wheeler was hired by the council. Mr. Schroder remains with the department attending to lightning duties. Mr. Levins is still with the fire department.

Population Is Growing In Florida

A weekly average of 1,923 new Florida residents from out of the state have been added to the state's population during the past year, the Florida State Chamber of Commerce reported in its Weekly Business Review released yesterday.

"This weekly gain is net and represents the number of new incoming residents in excess of persons who may have left the state. The previous year's weekly increase from this source was 1,692. Both figures are based on the annual estimates of Florida's population made by the U. S. Bureau of the Census. On July 1, 1966 the estimate placed Florida's population at 5,941,000; for 1965 it was 5,796,000.

"Between these two dates Florida's resident population grew by 145,000 persons; 100,000 were newcomers and 45,000 were from natural increase. The natural increase (resident births in excess of resident deaths) was reported by the Florida Bureau of Vital Statistics and amounted to 865 per week. This represented a drop from the previous year's figure of 1,038 as Florida follows the natural trend of declining birth rates.

"Natural increase plus newcomers from outside Florida pegged the state's total weekly gain in population at 2,788 last year compared with 2,780 during the previous year.

Winter Festival Is Named

Palm Beach County's winter festival has been officially named. It is the "Golden Palm Festival".

The name was suggested by Fred Teverbaugh, a member of the Corporation Pageant Committee of the winter festival, some weeks ago. The festival committee liked the name but before adopting it, the committee wanted to get the reaction of the citizens of the community.

More than a dozen new names were suggested by interested citizens, however, the vast majority who expressed an opinion concerning the name liked Teverbaugh's suggestion—"Golden Palm".

"We appreciate the interest of the citizens from all over the county who sent in names for the festival," Judge Russell McIntosh, festival chairman, said. They were all good names that we would be proud to have for the festival but we abided by the majority vote of the committee.

"It is hoped that everyone in Palm Beach County will help to make the Golden Palm Festival as great as the Gasparilla of Tampa or the Mardi Gras of New Orleans," he said.

Pageant Is Scheduled January 14

"The art, skill and imagination of a woman, Jean Armour Hunt, the common sense, contacts and judgement of a business executive, Fred Teverbaugh, and the sense of timing, finesse and caution of an ingenuity man, George Slaton, have combined," Judge Russell H. McIntosh said, "to bring to the people of this area one of the most interesting and entertaining productions next January 14."

The coronation ceremony at the West Palm Beach Municipal Stadium at 8:00 o'clock p.m., that night, will be a professionally produced coronation pageant. Neptune will wave his magic scepter and the captain of the S. S. Providencia, played by a colorful and talented actor, will conduct the coronation of the King and Queen of the Golden Palm Festival of Palm Beach County. Neptune, god of the sea, will be robed, lest the ladies be shocked, in a beautiful costume appropriate to his mythological divinity.

Neptune will speak to the mortal royalty through the golden voice of one of our prominent radio and television announcers, Tony Glenn, who will be Royal Master of Ceremonies. Plans Complete For Jones Wedding

Plans have been completed for the wedding of Miss Verlon E. Jones, daughter of Mr. and Mrs. Elmer T. Jones of Pahokee, and Kirby J. Mole, son of Mr. and Mrs. W. G. Mole, also of Pahokee. The wedding will take place at the First Baptist Church in Pahokee on Friday, December 23, at 7:30 p.m. with Rev. Guthrie Colvard to officiate at the double-ring ceremony.

For her attendants, Miss Jones has chosen her sister, Mrs. James F. King of Gainesville, Florida, as matron of honor; Mrs. James W. Bailey of Orlando, sister of the bride-elect, as brides matron. Bridesmaids are Pam Boe and Hilda Hayes of Pahokee, Paula Gail Bryant of Canal Point and Ann Welty of Belle Glade. Flower girl will be Diane Dobrow, cousin of the bride-elect. Ring bearer will be Rusty Deen, son of Mr. and Mrs. William Deen of Pahokee.

Wally Mole of Tampa, Florida, brother of the bridegroom-elect, will serve as best man. Ushers will be Buddy Culbertson, Randy Wilkinson, Mike Watkins and Roger Simonson, all of Pahokee, and Walter Young of Canal Point.

The program of nuptial music will be presented by Robert O. Lampi, vocal soloist, and Miss Jann Fluener, organist.

The reception will be held in the Fellowship Hall of the First Baptist Church following the wedding. No invitations are being sent locally, but all friends of the couple are invited to both the wedding and reception.

Janice Waldron Weds Pat Patterson

Miss Janice Vivian Waldron and William E. (Pat) Patterson, both of Pahokee, were united in marriage in a simple double-ring, candlelight ceremony held at the First Baptist Church in Pahokee Friday evening, December 2. The couple repeated their vows after Rev. Guthrie Colvard, pastor, in the presence of members of both families and a group of close friends.

The bride is the daughter of Mr. and Mrs. Mose Waldron, 239 S. Barfield Highway, Pahokee. She graduated from Pahokee High School with the Class of 1965, and is presently employed in the offices of Southern Bell Telephone and Telegraph Company at Belle Glade.

The bridegroom is the son of B. C. Patterson, 3449 E. Main Street, Pahokee. He graduated from Pahokee High School in 1966 and is presently employed by Loryn Meredith Farms near Delray Beach.

Mrs. Mose Waldron, the bride's mother, served as her daughter's only attendant. She wore a two-piece navy blue suit with matching accessories and a white carnation corsage.

The bride wore a two-piece, street-length dress of white linen with white accessories, and her corsage of white carnations was touched with pearl hearts.

B. C. Patterson was his son's best man.

A small reception followed the ceremony was held in the private dining room of the Tiny Diner,

with the father of the bridegroom and the parents of the bride as hosts.

After the reception, Mr. and Mrs. Patterson left on a brief wedding trip in Florida. The bride will continue to live with her parents in Pahokee until February, when she and her husband plan to move into their own home.

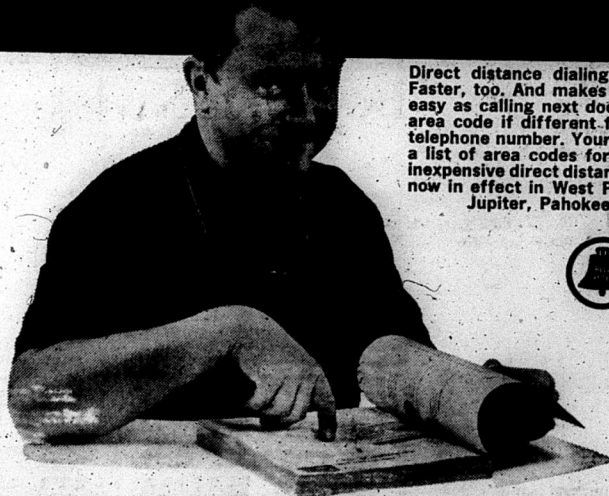

Mac Jaudon returned to his home in Atlanta, Georgia, on Saturday after being the guest of his brother-in-law and sister, Mr. and Mrs. Wiley Tillis.

Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

*Higher interest on the
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

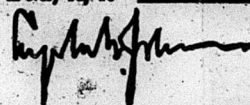

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

Joy Gift Program By Presbyterians

The Everglades Presbyterian Church held their annual "Joy Gift Program" on Monday night, December 5, at the church. The Joy Gift Program is the annual giving of an offering for retired and disabled ministers. A covered dish dinner and program, under the direction of Violet Felsing, was enjoyed by all.

Instead of exchanging gifts among each other, everyone brought a gift to be used in the kitchen. Mrs. Carlton J. Sugg of Fort Pierce, chairman of District 7, was a special guest.

During the program, Mrs. Bess McIlwain gave readings, Eleanor Parker sang Christmas hymns and at the end of the program, the chairman had an impressive ceremony with each woman lighting a small red candle and placing it on a cake as she brought her offering gift up to the offering table. The meeting was closed with a hymn and a prayer by Rev. Von-drack.

Playlet Is Given By W S C S Group

An exquisitely moving playlet, entitled "For This Little Time", delineating the life of Jesus Christ from time of birth to The Resurrection, was presented by Mrs. Ralph C. Johnson, W. S. C. S. program chairman, as the annual Christmas program at the December meeting of the Woman's Society of Christian Service of the Pahokee First Methodist Church, held Monday night at the church with the president, Mrs. Robert C. Hutton, presiding. The cast included members of the Vena Mae Schroder Circle.

The setting of the playlet was a domestic scene in which Mary, mother of Jesus (Mrs. H. H. Hendrix), Mary Magdalene (Mrs. Frank Rosenberg) and Sarah, the good neighbor (Mrs. R. L. Hutton) sat conversing at a tea table, reminiscing in reverent memory some of their inspiring experiences in the presence of The Saviour. During the unfolding of the "Christian Service for Worship" playlet, Mrs. Hugh Branch sang three Christmas songs, accompanied by Mrs. Vance Broome, organist.

At the business session Mrs. Lloyd Hundley reported on the semi-annual District Conference which she attended at Pompano Beach last week, and listed some of the needs at the Methodist Children's Home at Enterprise. It was suggested that offerings for the benefit of the Children's Home be collected at the December 19th meetings of the four circles. A report on the District Conference was also given by the president, Mrs. Hutton.

Mrs. Hugo Boe reported the receiving of a letter of greeting to the group from Mrs. John A. Dulaney, a past president now residing in Belle Glade, the letter also contained a love offering to the Pahokee WSCS.

In the monthly reports of the Circles, announcement was made the December 19th meetings will

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
